### **ADDENDUM NO. 3**

**Date: October 12, 2012**

**Invitation to Bid (ITB) No. 13-0202**

### **Chain Link Fence, Vehicle and Communication Maintenance Facility**

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum with the initial bid or proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

**This addendum \_\_\_ does X does not change the date for receipt of bids or proposals.**

The purpose of this addendum is to provide confirming information to all potential responding vendors in association with the cited ITB. The information provided herein summarizes responses being provided to additional vendor inquiries.

**Question 3:** On the site plan in the bid packet, it specifies "industrial grade" fencing. Please clarify the term or specify what type and size materials is to be used for posts and framing.

**Answer 3:** Listed in addendum 2

**Question 4:** There are two new gates needed for the project. Please clarify what style gates they are to be. Swing, roll, cantilever, etc?

**Answer 4:** Addendum 2 lists hinges so while it does not specify swing gate the hinges would only be used with this style of gate

**Question 5:** Is there a specified distance off of the concrete that the fence is to typically follow?

**Answer 5:** Listed in addendum 2

**Question 6:** Are all utilities going to be marked by the city/county or is this service to be the responsibility of the awarded contractor?

**Answer 6:** Contractor responsibility

**Question 7:** It specifies 8' high fencing. Is this to be a standard 8' fence with top rail and bottom tension wire?

**Answer 7:** Listed in addendum 2

**Question 8:** Will this need to be 8' +1 that has 3 strands of barbed wire?

**Answer 8:** Listed in addendum 2

**Question 9:** There are some trees/limbs that appear to be in the fence line. Will it be the contractor's responsibility of the contractor to trim these per the bid documents or is this going to be taken care of prior to fence installation by others?

**Answer 9:** Listed in addendum 2

**Question 10:** At the drainage area to the retention pond on the south side of the property, is the fence to be core drilled into the curb areas on both sides or is it to be installed in the ground on the back side so core drilling the curb is not needed?

**Answer 10:** Listed in addendum 2
